## NOTES TO FINANCIAL STATEMENTS

### **Note 1 – Organization and Significant Accounting Policies**

#### **Nature of Operations**

Give Kids A Smile, Inc., (the “Organization”), a not-for-profit corporation, was incorporated in the State of Missouri in October 2004 to bring volunteers and organizations together for the purpose of delivering quality dental services to children in the St. Louis, Missouri area.

#### **Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### **Financial Statement Format**

According to generally accepted accounting principles in the United States of America, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As permitted by the statement, the Organization does not use fund accounting. The three classes of net assets are described in more detail as follows:

1. *Unrestricted Net Assets* represent those net assets whose use is not restricted by donors. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Temporarily restricted contributions that are expended for their restricted purpose in the same reporting period as received may be recorded as unrestricted. Unrestricted net assets were \$171,661 and \$181,645 at December 31, 2014 and 2013, respectively.
2. *Temporarily Restricted Net Assets* represent those net assets whose use has been limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Organization pursuant to those stipulations. Temporarily restricted net assets were \$19,000 at December 31, 2014. There were no temporarily restricted net assets at December 31, 2013.
3. *Permanently Restricted Net Assets* represents those net assets whose use has been limited by donor-imposed stipulations and must be maintained in perpetuity. The Organization had no permanently restricted net assets at December 31, 2014 and 2013.

#### **Social Program Accounting**

The Organization contracts space from Saint Louis University to host a biannual dental clinic for children whose families cannot currently afford necessary dental care. Each clinic is held for two days and will provide services for over five hundred children. The Organization also hosts Redbird Rookies Health fairs and a back to school event to educate children in dental hygiene and provide children with dental supplies.

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

### Note 1 - Organization and Significant Accounting Policies (Continued)

#### **Cash and Cash Equivalents**

The Organization considers all highly liquid debt instruments with a maturity of three months or less at date of purchase to be cash equivalents.

#### **Property and Equipment**

Property and equipment are stated at cost. Depreciation and amortization are provided using accelerated methods over the estimated useful lives for furniture and fixtures and equipment of 5 - 7 years.

#### **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could vary from those estimates.

#### **Support and Revenue**

The Organization receives grant support from the Missouri Foundation for Health for two years of operations. Funding is to go towards staff salary and benefits to coordinate the scheduling of patients, volunteers, and supplies for free dental clinics. The Organization also receives support from private contributions by way of fundraising and donations.

#### **Functional Allocation of Expenses**

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Activities. Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function have been allocated among the programs and supporting services benefited.

Costs related to occupancy of the building from which the Organization operates are allocated to supporting service and program services based upon the pro rata share of the total 1,200 square footage of space utilized in providing such services. Management and general expenses include those expenses that are not identifiable with any other specific function but provide for the overall support and direction of the Organization.

#### **Revenue Recognition**

Grants or promises to give are recognized in the period they are received.

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

### **Note 1 - Organization and Significant Accounting Policies (Continued)**

#### **Contributions**

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions.

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

#### **Donated Services**

The Organization receives a significant amount of donated services from unpaid volunteers who assist in fund-raising and program events. The total donated services reported were \$564,480 and \$619,200 for the years ended December 31, 2014 and 2013, respectively. These amounts represent the fair market value for dental services provided by dentists and dental hygienists donated during the dental clinics.

In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization, but these services do not meet the criteria for recognition as contributed services.

#### **Income Taxes**

The Organization is a nonprofit organization incorporated under the laws of the State of Missouri. It is an organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, and therefore, has made no provision for income taxes in the accompanying financial statements. There was no unrelated business income for the years ended December 31, 2014 and 2013.

#### **Subsequent Events**

The Organization has evaluated subsequent events through August 11, 2015 the date the financial statements were available to be issued.

### **Note 2 – Concentrations of Risk and Contingencies**

The Organization, on occasion, maintains cash deposits with a bank that include funds greater than the federally insured limit. The Organization has not experienced any losses in such accounts. Management believes the Organization is not exposed to any significant credit risk related to cash.
