***Mark Ortinau, DDS***  
***General Dentistry***

Dr. Ortinau's interest in dentistry began as a young man in high school. Inspired by his family dentist and the desire to work with his hands, Dr. Ortinau knew this was the only career to pursue. He recognized a career in dentistry would allow him to provide healthcare for people without such a strenuous schedule as that of an MD. Today, Dr. Ortinau stays on top of the latest advancements in dental technology and cosmetic dentistry, allowing him to utilize his artistic skills. He enjoys doing porcelain veneers, crowns and composites.

Graduating from University of Missouri – Kansas City Dental School in 1974 with his DDS degree, Dr. Ortinau received a Fellowship from the Academy of General Dentistry in 1995 and the Award of Merit from the Greater St. Louis Dental Society in 2004. In 2006, he was inducted as a Fellow in the International College of Dentists. His professional affiliations include membership in the American Dental Association, Missouri Dental Association, Greater St. Louis Dental Society, Christian Dental Society and the International College of Dentists.

Dr. Ortinau and his wife, Marilyn have been married for 35 years. They have four children, Dave, Steve, MaryKate and Jon. They have nine grandchildren: Maddie, Declan, Nolan, Kaylee, Ashlyn, Kamryn, Lucie, Joslyn and Tyler. In his spare time, Dr. Ortinau enjoys hunting, fishing and just being outdoors. His other passion is mission work. Dr. Ortinau has participated in 15 dental missions to foreign countries, mostly Kosovo. He is the Dental Director for Service International, an organization that coordinates dental mission trips to serve underprivileged people. He is also on the board of directors for Give Kids a Smile, an organization that provides free dental care to children in the St. Louis area who have limited or no access to dental care.
