These summer healthfairs are held at various locations. We will be conducting hands-on table clinics that show children how to properly brush and floss, handing out information oral health and our upcoming free dental clinics and answering questions of the kids/parents. Kids receive prizes and dental supplies. Free parking along with breakfast and lunch provided for volunteers. We will provide you with a Give Kids A Smile t-shirt upon your arrival. You will receive directions about each event as the dates are closer. In addition, we are offering special oral health education, nutrition counseling and dental supplies for the "senior" (60 yrs and older) members of their families at each event.
